Bill Quadrini

Head of Market Development
S&P's Global Market Intelligence

Bill leads market development for the Credit Analytics business in the Americas within S&P Global Market Intelligence. In this role, Bill is responsible for bringing the voice of the customer to the business. Bill leads the strategy, go-to-market, competitive intelligence, and he provides thought leadership. Bill has worked extensively with the firm's clients, helping them improve their credit processes, including underwriting and early warning systems.

Bill is an expert at quantitative credit modeling, underwriting, and analysis. In previous roles, Bill was responsible for selling credit risk tools and consulting. In his early career, Bill worked for several banks, primarily as a commercial real estate lender.
