PANELIST, WEBINAR #4

Data Management & Analytics for Carbon Accounting and Reporting

Nick Volkmer

Director of Product,
Enverus

Nick leads Enverus' ESG efforts and supports its Energy Transition buildout to help the industry navigate the evolving market landscape.

He joined the predecessor of Enverus in 2015 and initially focused on onshore U.S. asset valuation and optimization while leading the Gulf Coast intelligence team.

Nick graduated from Queen's University with a degree in engineering chemistry and earned his CFA charter in 2019.
